

# First International Conference on Innovative Trends in Engineering Technology and Management, (ICITETM- 2020) 4 - 6 FEB 2020

Conference Theme: "Smart Sustainable Intelligent Computing and Applications"

Organized by

Department of Computer Science and Engineering (NBA Accredited)

Maharaja Agrasen Institute of Technology, Delhi, India

Conference Website: <https://icitetm.com>

email: [icitetm@mit.ac.in](mailto:icitetm@mit.ac.in)

## CONFERENCE TRACKS

### Machine Vision, Pattern Analysis and Image Processing

Robot Vision Systems for Manipulation and Navigation, Automation & Personalization (Using NLP), Predictive Analytics and applications, Neural Network and Deep Learning, Artificial Intelligence, Collective intelligence, Pattern Recognition and Image Processing, Machine Learning Applications: Legal systems, Bioinformatics, Health-care and Medical Systems, Identity and Trust Convolution Systems, Medical Informatics, Distributed and Parallel Algorithms for Data Science, Quantum Computing Algorithms, Big Data Representation & Visualization, Business Intelligence, Data-Lakes, Big-Data Technologies

### Advanced Trends in Computational Intelligence and Data Analytics

Computational Intelligence, Ubiquitous Computing, Evolutionary Algorithms and its Applications, Internet Computing, Data Mining with Soft Computing, Evolutionary Computing, Expert Systems and Inference Engines, Security, Privacy & Social impact of Data Mining, Open Data and Big Data Computing, Fuzzy Sets and its Applications, Deep Learning and its Applications, Green Computing, High Performance Computing for Data Analytics, Knowledge Discovery Theories, Models and Systems, Human-Machine Interaction and Interfaces, Crowdsourcing and Collective Intelligence

### Futuristic Communication Technologies

Wired, Optical and Wireless Communication, Satellite and Radar Communication, Green Communication Technology Management and sustainability, Space-Air-Ground Integrated Communication Networks, Ubiquitous Communication, Network Planning, Management and Security, Cognitive Radio Communication, Next Generation Communication and applications, Smart Energy Management

### Disruptive Technologies for Future Sustainability

Security in Distributed Ledger Technologies, Computational Sustainability, Predictive and Prescriptive Analytics, Health-care Analytics, Energy Management in Data Centers, Smart City Modelling Management, Opinion Mining, Sentiment Analysis, Virtual Reality, Augmented Reality, Smart Systems, Web Analytics, Social Media Analytics, Social Intelligence, Blockchain and Trust Management, Intelligent Biometrics, Multi-Valued Logical Systems, Cloud Computing and security, Autonomic Systems

## SCOPE

The focus of the conference is on current developments in the field of engineering technology, involving sustainable intelligent computing and related aspects. The Conference would be an ideal platform for students, faculty members, research scholars, and professionals from industry and Govt. R&D bodies to present their original research work and develop academic networks. The researchers would be able to show-case their work to the International audience via this conference. This also provides a platform to budding students to participate and learn about the latest developments in the field of computing and sustainability, and other emerging relevant fields. Students are encouraged to submit papers for poster sessions. Abstract of selected poster papers will be published in "MAIT journal of Technology".

## NEW INITIATIVES AT ICITETM 2020

Awards and certificates will be given to authors in various categories like Overall Best paper award(s), Best paper award for each Track(s) and sub-tracks, Best Algorithmika award(s), Best Thematic award(s), etc.

One day Workshop on "IPR and Innovation" will be organized on 6<sup>th</sup> Feb 2020.

For registration visit the website: <https://icitetm.com>

## PUBLICATION AND INDEXING

All the full-length Accepted papers of ICITETM 2020 will be published in the SCOPUS Indexed Journal (Proposal Submitted to Springer, CCIS) based on the theme. All the papers will be Double Blind Peer Reviewed.

High quality and extended version of selected papers will be recommended to be published in ESCI/ Scopus/ Web of Science indexed Journals (Proposal Submitted). Additional publication charges may apply as per norms of journal publisher. For more information kindly visit the website: <https://icitetm.com>

## PARTNERS

## REGISTRATION FEES

Participants	From India		From Abroad	
	Early Bird registration	Late registration	Early Bird registration	Late registration
Author registration (Full Time UG/PG students)	₹3000	₹3500	\$200	\$250
Author registration (Academia/ PhD Scholars)	₹4000	₹4500	\$250	\$300
Author registration (Industry)	₹5000	₹5500	\$250	\$300
Co-Author registration (2 <sup>nd</sup> author, 3 <sup>rd</sup> author.)	₹1000	₹1500	\$100	\$150
Non-author Participant	₹1000	₹1500	\$100	\$150
Additional Paper registration (same author)	₹2500	₹3000	\$150	\$200
ISTE, CSI member	20% discount in the regular fees as per the category			
Sponsoring Industries employees	₹4000	₹4500	\$150	\$200
Faculty Members/ PhD Scholars from GGSIPU	₹3500	₹4000	-	-
Poster Paper registration	₹1000	₹1500	\$100	\$150

Before the conference, only the online payment is accepted. During the conference, on-site participant registrations are also provided. All invoices will be issued at the on-site registration desk. Kindly note that the registration fees paid are not refundable and transferable. After payment, please complete registration form given on website <https://icitetm.com>
