Process to participate in SIH 2025

Teams interested in participating for SIH 2025 must create the teams following the guidelines mentioned at <https://www.sih.gov.in/letters/SIH2025-Guidelines-College-SPOC.pdf>

A max of 50 teams (**45 Shortlisted + 05 Waitlisted**) per college **can be nominated** (including Problem statement based/Student innovation category).

Teams to be nominated will be selected during **the internal hackathon** to be conducted by Institute during the **3rd Week of September 2025, 16 Sept 2025 (tentatively)**.

There will be **two/three selection rounds** during the **internal hackathon**

- **Preliminary Round** – Teams are shortlisted based on the PPT content submitted during the team registration. Shortlisted teams will be informed through registered email id of Team Leader within 2-3 days after the submission deadline.
- **Final Round** – Teams shortlisted after the Preliminary round are required to present the prototype (may not include all functionalities listed in the proposed solution) before the Judges during the offline round.
- If required, an **online presentation** may be conducted of the shortlisted teams after the preliminary round for one more round of team filtration.

Result of Internal Hackathon will be announced within 2-3 days after the conduct of the Hackathon.

All selected teams will be issued NOC letter by the SIH team which is to be uploaded on SIH portal along with teams' details.

The registration process of the shortlisted teams on the SIH portal will be shared to teams after the declaration of Internal Hackathon result.

Read all the instructions given at <https://www.sih.gov.in/> carefully.
