# VISION

To be centre of excellence in education, research and technology transfer in the field of computer engineering and promote entrepreneurship and ethical values.

-----

# MISSION

#### THE DEPARTMENT

#### PLACEMENT DETAILS (BATCH 2015-2019) Till July 2019

#### HISTORY OF DEPARTMENT

The Computer Science and Engineering Department was established in the year 1999 under GGSIP University with an intake of 60 students. The intake was subsequently increased to 120 and at present has intake of 240 students.

Department is committed to achieve excellence in technical education & research and assesses the success of its programs using the highest standards of quality. A group of well qualified, experienced and highly motivated faculty is engaged in providing students in wider field of Computer Engineering to take up challenging jobs in the area of Systems Software Development, Software Application choice of the students seeking in the admission private Engineering Institutes under **GGSIP** University. Graduates from the department are heavily recruited by both academia and department occupy top positions in both academia and industry all over

the world.

### Message from the head

Department of Computer Science & Engineering commits to work towards developing Engineers with a rich blend of quality education to the future competent, technical, managerial and social computer engineer and prepare the skills and contribute to nation building. Department places emphasis on all the important aspects of computers such as Computer Networks, Mobile Algorithm Communication, Design, Development and Computer Operating System, Advance Database Networking. Since its inception, Systems, Theory of Computation, Computer the department has been the first Graphics and many more. Department takes the initiative to improve the soft skills, analytical capabilities and verbal communication of the students so that they can face the competition in the corporate world confidently. To meet the objectives, industry, and ex-students of the department pays special emphasis on teaching and hands on practical work. Students exhibit their innovative ideas, skills and potentials as final year projects and have won many awards at University level. The excellent infrastructure, experienced team of faculty dedicates to strengthen effective teaching learning process ensuring quality education.

We believe that this approach to teachinglearning, coupled with practical experience gained during Industrial Training in reputed organizations, equips our students to handle the challenges posed by the IT industry. Students of Computer Science and Engineering are placed with top IT companies. We as a team resolve to take the Department to heights of success and glory and prepare for the forthcoming challenges.

#### FACULTY UPDATES

# Faculty members pursuing Ph.D.

- 1. Mr. Sandeep Tayal
- 2. Mr. Saurabh Rastogi
- 3. Mr. Ashish Sharma
- 4. Ms. Sudha Narang
- 5. Ms. Ruchi Goel
- 6. Ms. Divya Arora
- 7. Mr. Yogesh Sharma
- 8. Ms. Ankita Gupta
- 9. Ms. Neetu Garg
- 10. Mr. Moolchand Sharma
- 11. Ms. Deepti Gupta

Dr. Neeraj Garg completed his Ph.D in "Pervasive Computing" from N.I.T., Kurukshetra in March 2019.

## WORKSHOPS AND SEMINARS

Department of Computer Science and Engineering organized One day Seminar on **"Empirical Software Engineering"** sponsored by Department of Student Welfare, GGSIPU on 11th January 2019 at Maharaja Agrasen Auditorium, MAIT from10:00 am to 4:00 pm. Seminar started with motivational talk by Prof. M.L Goyal, Vice Chairman- Academics, followed by the Speeches of Prof. Neelam Sharma, Director (MAIT), Founder Chairman Dr Nand Kishore Garg, MATES and Dr. Arvinder Kaur, Professor and Dean USIET, GGSIPU.Dr. Namita Gupta (Convener), Mr. Ashish Sharma (Co-Convener), Mr Yogesh Sharma and Ms Ruchi Goel coordinated the

#### WORKSHOPS AND SEMINARS

National Commission for Women (NCW) held a seminar on **"EMPOWERING** WOMEN THROUGH **ENTREPRENEURSHIP**" on the occasion of 26<sup>th</sup> Foundation Day on 31<sup>st</sup> January 2019, at "Stein Auditorium", Indian Habitat Centre. The girls from our institute attended the session.

Two-day workshop on "Outcome based Learning" was organized by Department of Computer Science and Engineering for all the faculties of Maharaja Agrasen Institute of Technology on 24th and 25th April 2019.

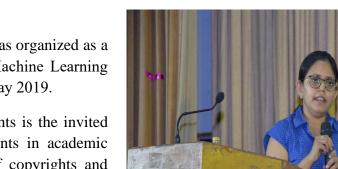

Prof Namita Gupta, Head of the Department, CSE started the talk on designing course outcomes and discussed the importance of Bloom's Taxonomy in Outcome based Learning. Mr. Ashish Sharma, Assistant Professor, CSE discussed various case studies of Course Outcomes and requirement of Bloom's Taxonomy in outcome-based learning.

Prof Ved Nath Mathur, Head of the Department, MAE explained the Attainment sheets and its related calculations required in NBA accreditation process.

Seminar on "Intellectual Property Rights" was organized as a part of Faculty Development Program on "Machine Learning" and its Applications" from 29th April to 4th May 2019.

Aparna Jain from Knowledgentica consultants is the invited speaker, she stressed upon the need of patents in academic institutions. She discussed the importance of copyrights and explained various case studies related to it.

Whole session was very interactive, wherein faculties cleared various doubts related to IPR.

Inter College Project competition of GGSIPU for Computer Science and Engineering Department was organized by CSE Department, Maharaja Agrasen Institute of Technology on 4th June 2019, coordinated by Professor Namita Gupta, Head of the Department, CSE, MAIT.

Final year students of all B. Tech colleges affiliated to GGSIPU participated and presented some of the best innovative projects.

Department of Computer Science and Engineering organised an industrial visit to "Defence Research and **Development Organisation (DRDO)**" on 15<sup>th</sup> February 2019 for the students of the Department. Mr Ashish Sharma, Assistant Professor, CSE visited the site along the students of the CSE Department. The Director of SSPL (Solid State Physics Laboratory (SSPL) - which is one of the laboratory under DRDO) Ms. Seema Vinayak, gave an insight of DRDO and SSPL. Students visited characterization laboratory and various equipment's like Atomic Force Microscope (AFM), Optical Bench, Secondary Ion Mass Spectrometer (SIMS), etc. were shown to them. After this. the next laboratory, which is used for the manufacturing of semiconductor wafers was shown to the students by Dr. Soni. At the end, students were addressed by Prof. Chandra Prakash where he discussed various opportunities for the students at DRDO.

### **INTER-INSTITUTE PROJECT COMPETITION - GGSIPU**

### **INDUSTRIAL VISIT**

### **ACM CHAPTER EVENTS**

#### Organized By-ACM-MAIT Student Chapter

- 1. MAIT ACM hosted a personalized mentorship session for increasing senior junior interaction among students on 30<sup>th</sup> Jan,2019 and to provide a platform for students to have their queries answered that are difficult to clarify online on sites like GitHub, Stack Overflow, etc. Around 10 students participated in this event.
- MAIT ACM Student Chapter conducted its first edition of "DAYS OF HACK" a hackathon in association with Campus Blocks MAIT at Maharaja Agrasen Institute of Technology on 7th-8th February, 2019. Prof. (Dr.) Namita Gupta, HOD, Department of Computer Science and Engineering, MAIT and Mr. Anupam Kumar, Assistant Professor, Dept. of CSE, MAIT granted their unwavering support throughout the initiative and organization phase of the hackathon.

Mr. Ashish Sharma, Mr. Yogesh Sharma and Mr. Sandeep Tayal were the esteemed panel of judges who evaluated the participants on the basis of ideas, implementation, impact and presentation.

- 3. MAIT ACM Student Chapter in association with Campus Blocks organized Github Workshop which familiarized participants with the basics of Github. This event was mentored by instructors from Coding Blocks on 13<sup>th</sup> March, 2019.
- 4. MAIT ACM Student Chapter in association with Campus Blocks hosted a 2-day workshop on 28-29<sup>th</sup> March, 2019 on Python fundamentals, Machine Learning basics and refined Machine Learning Algorithms. Instructors and mentors from Coding Blocks as well as from MAIT ACM Student Chapter guided students through the various concepts involved in order to firmly grasp fundamentals of ML/AI.

Department of Computer Science and Engineering organized one day workshop on "OPEN SOURCE SOFTWARE DEVELOPMENT" in association with Student chapter of Coding Blocks (Campus Blocks) and TechCom Society of CSE department on 25th January 2019 from 10:30am to 1:30pm in Lab 131-132 for CSE students. The event was attended by 96 students of the CSE Department.

The session was delivered by Mr. Arnav Gupta (Coding Blocks – Founder member and GSoCer) and Mr. Harshit Dwivedi (Former GSoCer, Speaker at DEVOXX Belgium and instructor at Coding Blocks). The workshop started with an introduction to open source development, followed by its importance in various competitions like Google Summer of Code, Google Hash-Code and Google Kick-start.

### **INDUSTRIAL VISIT**

### **STUDENT ACHIEVEMENTS**

# **RESEARCH PAPERS IN JOURNALS & CONFERENCES**

Four teams of MAIT students in which four students of CSE department were selected for round 2 of Hult regionals which was held at IIT Bombay from 12th to 14th April 2019.

#### Members of the selected teams are:

| Team No. | Team Name    | Team Members    | Branch | Year            |
|----------|--------------|-----------------|--------|-----------------|
| 1        | Chaitanya    | Bittoo Agarwal  | CSE    | 3 <sup>rd</sup> |
|          |              | Saurabh         | CSE    | 3 <sup>rd</sup> |
|          |              | Sahil Arora     | CSE    | 3 <sup>rd</sup> |
|          |              | Amit Mishra     | CSE    | 3 <sup>rd</sup> |
|          |              | Mansi Tyagi     | CSE    | 3 <sup>rd</sup> |
|          |              |                 |        |                 |
| 2        | Technovation | Ravi Dagar      | IT     | 3 <sup>rd</sup> |
|          |              | Akash Pandey    | MAE    | $2^{nd}$        |
|          |              | Hiten Arya      | IT     | $2^{nd}$        |
|          |              | Soumya Bhardwaj | ECE    | $1^{st}$        |
|          |              | Yashaswani      | EEE    | 2 <sup>nd</sup> |
|          |              |                 |        |                 |
| 3        | Paradise     | Shubham Sharma  | MAE    | 3 <sup>rd</sup> |
|          |              | Shristi Rastogi | EEE    | 3 <sup>rd</sup> |
|          |              | Piyush Gupta    | CSE    | 3 <sup>rd</sup> |
|          |              | Gaurav Nigam    | EEE    | 3rd             |
|          |              |                 |        |                 |
| 4        | Milkyway     | Shrey Khetarpal | IT     | 3 <sup>rd</sup> |
|          |              | Puneet Ohri     | ECE    | 3 <sup>rd</sup> |
|          |              | Ayush Bansal    | ECE    | 3 <sup>rd</sup> |
|          |              | Tejaswi Kalra   | MAE    | 3 <sup>rd</sup> |

**Institute has granted Rs 5,000 to each team member to participate for round 2 at IIT Bombay.** 

"World trade means competition from anywhere: advancing technology encourages cross-industry competition. Consequently, strategic planning must consider who our future competitors will be, not only who is here today"

-Eric Allison

### **IOSD-MAIT**

# IOSD - International Organization of Software Developers

IOSD-MAIT is the largest technical society of MAIT with more than 500 members registered in the college. IOSD, being run and managed by students provides a platform for developers to come together and create projects, discuss ideas and learn in a competitive healthy environment.

Enlightening our path and supervising the working of our society tirelessly, we are grateful to have **Mrs. Garima Gupta** as our faculty advisors and for always helping us in times of need.

IOSD-MAIT has been organizing the largest technical fest of the college since 2018 under the name of IMPULSE.

Impulse aims to provide students with a world-class technical experience, to inspire and inculcate critical thinking among them by enhancing their problemsolving skills and promote indigenous self-made technology.

**DevDash**, the first-ever blind web development event in the history of MAIT was itself a unique experience for the participants and volunteers as well, **Explora**-the workshop where students learned a lot about competitive coding and interview preparation. But the most special event was **HackMAIT 2.0**, a 36-hours hackathon, where the winners were awarded prizes worth 1 lac.

Since beginning, IOSD-MAIT has focused on teaching students about the new technologies and enhancing their skills. Regular classes are held to help students build their concepts. The classes held are on the following subjects: C++, Core Java, Android App Development, Web Development, Data Science, Python and Machine Learning

**Skill Set Development** : Senior members conduct "hands-on" workshops and specialized classes for the juniors, teaching them necessary technical skills like coding in various languages, even specializing in web development and android development and a lot more all throughout the year. They provide valuable insights on the same to the students.
